REFLECTIONS OF

The Milestone staff presents REFLECTIONS OF HOPE with the desire that the pages of our yearhook will mirror for you the story of a year at Hope College. Conscientious effort, and great achievement; good times, and firm friendships: Christian ideals, and consecrated service — may all be reproduced in the MILESTONE — 1946.

Chapel Services Provide Inspiration

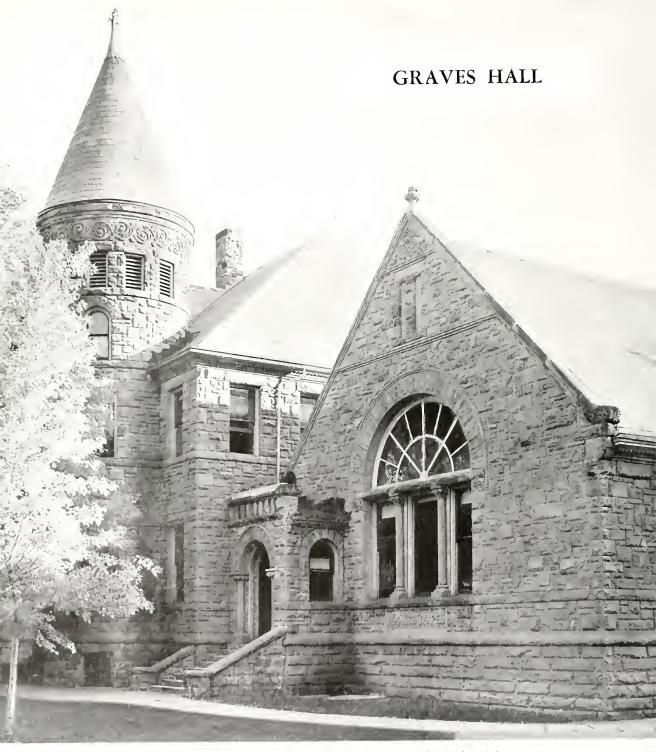

MEMORIAL CHAPEL

Our chapel, built in beautiful Gothic style, symbolizes the spirit of Hope. All services and activities held within its walls elevate and enrich the lives of Hope's students. As the many duties of college life crowd upon each other, the few quiet moments for devotions before classes become increasingly important.

During the past year outstanding speakers from Venezuela, Brazil, the Netherlands, Philippines, Japan, and the ever changing sites of migrant camps stimulated interest in current problems. Musical vesper services on Sunday afternoons and concerts by such artists as Roland Hayes and members of the Chicago Symphony Orchestra were held in its spacious auditorium. Here, too, the Seniors walked slowly down the aisle to receive their diplomas in the impressive graduation ceremony in June.

One of the most inspiring chapel services of the year featured Lt. James C. Whittaker, who had spent twentyone tortuous days aboard a life raft in the vast Pacific with Capt. Eddie Rickenbacker and six other members of a B-29 crew. He told the dramatic story of his discovery of God and the power of prayer through this harrowing experience.

Graves, the nucleus of campus life, is a beebive of activity from 8:00 in the morning until 9:00 at night. As the seat of administration, it houses the offices of president, treasurer, business manager, and director of admissions. Of interest to all students, especially when marks are in the offing, is the office of the registrar. Even classrooms have their place. For research and knowledge, the library offers its wealth of information to all.

College Plans Expansion Program

With the prospect of a rapidly increasing enrollment for the coming year, Hope College authorities have been discussing plans not only for the immediate necessities, but also with a long range view toward permanent campus improvements. Buildings for classrooms, dormitories, and dining halls have been leased or purchased to meet the new demands.

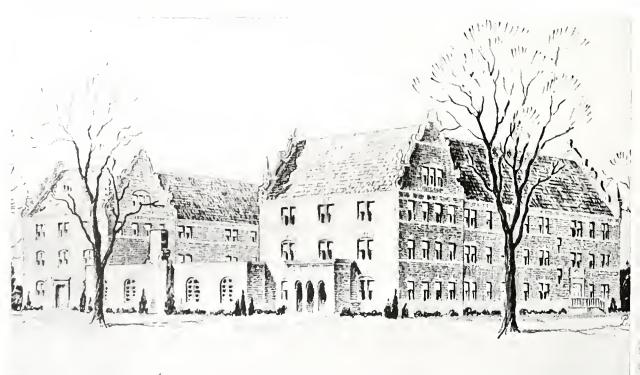

The East Junior High School will house a ground school for flyers as well as for other classes. To meet the needs of the expanding music department, the Walsh home on Ninth Street will be taken over. A men's dormitory for 124 students and twenty-four one-family units for married students have been allotted to the college by the Federal Housing Authority. It is anticipated that one additional dining hall will also be needed for the year.

First on the schedule of permanent improvements is the complete redecorating and remodeling of Van Raalte Hall. The main entrance, which is to face north, will eliminate much of the congestion in the vestibule by rerouting the stairs and making the corridors lighter. Tile floors in the

classrooms and corridors and new wainscoting on the walls are included in the plans for interior remodeling. Some of the classrooms will be changed over to provide all faculty members with offices for conferences and counseling.

One of the most urgent permanent needs is a new women's dormitory. Plans for a building housing 150 women have been drawn up, and construction will begin as soon as materials are available. Carnegie Gymnasium will undergo renovation according to the present plan. It will be enlarged and modernized to meet the demands of an athletically-minded student body.

Graves Libary is also due for some changes in the future. An entirely new building will be erected, while the present library will be used only for administration. The general campus appearance will be beautified by a complete landscaping operation. From a brief sketch of these plans, it is apparent that Hope is preparing for expansion, first on the temporary level, but later on a permanent basis. Thus we look forward to a greater and more modern Alma Mater.

ABOVE Proposed New Dorm

In Memoriam

It is more if Doroth, Vander Wonde, a 19-year-old member of the treesest sophomore class, who was the tretim of a fatal accident which occurred August 8, 1945 in Oak Harbor, Washington.

Not without sorrows, not without a tear
Can I regard the hopelessness of life.
The jumbled puzzle of the mortal strife
Now sad, now melancholy, now with cheer,
Ever changing through the changeless years.
I still can hear the child's laugh, e'er life
Was filled with struggle; but now drums and fife
Play as a youth is borne on youthful bier.
How useless life is, how unfair the hand
That plucked the half-oped rose. A life arrayed
In youth is over e'er 'twas half begun.
God does not ask that we should understand,
Or reason, but He does give faith to pray
"Not our will, Lord, not ours, but Thine be done."

- Gertrude Vredeveld

We Dedicate These Reflections . . .

The Master Mind at Work

"A mind to counsel, a heart to sympathise, and a hand to help" are qualities which have endeared Dr. Edward Dimnent to all who have associated with him during his fortynine years of noteworthy service to Hope College. As professor of Hope, his Alma Mater, he has imparted his genius into every phase of college activity.

During his presidency of Hope (1918-1931) Doctor Dimenent's executive prowess was instrumental in doubling Hope's enrollment, while greatly enlarging the College faculty. With unlimited energy he also stimulated special interest in music and missions. One of the outstanding achievements of his presidency was the erection of Hope Memorial Chapel, completely designed by Doctor Dimnent. Since 1931, Dr. Dimnent has been head of the Department of Business Administration.

A master of composition, Dr. Dimnent has contributed several exemplary writings to literary circles. Foremost among them is his poetic interpretation of the *Book of Job*, and the seventy-fifth anniversary pageant, *The Pilgrim*.

Hope College and all its associates witness with regret the retirement of this friend and counselor of such ability, leadership and intellect.

IN RECOGNITION of one of the greatest intellects we have had the privilege to know and of a vast store of knowledge which has inspired us . . .

IN GRATITUDE for service freely extended during fortynine years of administration and education at Hope College . . .

IN APPRECIATION for creative genius which has given us the lovely Memorial Chapel and beautiful works of literature . . .

IN TRIBUTE to a friend, whose presence we shall miss . . .

to Dr. Edward D. Dimnent

Dewin Jubbers
Irwin Jubbers
President

Dr. Lubbers Presides Over Hope's Campus . . .

DR. IRWIN J. LUBBERS

With a sincere interest in student welfare and a manner tinged with unexpected bits of humor Dr. Irwin J. Lubbers has impressed the students and faculty of Hope College.

Serving as Hope's sixth president, Dr. Lubbers has proved his ability as an efficient executive. In addition to his record as "Prexy," he had already distinguished himself at Hope in various fields. As a student he gained recognition as a persuasive orator and a hard-hitting baseball star. For six years he demonstrated his pedagogical art as a Hope professor.

A veteran of World War I, Dr. Lubbers is wellqualified to understand the needs and interests of the great influx of servicemen to the campus. His past experience as a missionary in both India and China has also heightened his interest in missionary activity.

Throughout the year Dr. Lubbers has authorized several noteworthy changes on campus — from the institution of the cottage plan of dormitories to the renovation of Van Raalte Hall. In the coming terms Hopites will witness new additions to the landscape, for Dr. Lubbers has approved architectural plans for several new buildings.

Hope College anticipates other successful years ahead with Dr. Lubbers serving as its chief executive.

Never Ending Reception Line

#### FACULTY INTRODUCTION

Within the past year definite changes have been visible in the faculty of Hope College. Along with an increase in the number of faculty members came the "streamlining" of the faculty organization by Hope's new president, Dr. Irwin J. Lubbers. Six working committees were formed in order to promote greater efficiency and to give the students a greater opportunity to contact the professors.

The Administrative Committee is responsible for all the problems of administration and discipline, while the Educational Policies Committee has as its purpose the definition of the goals of Hope. The Student Direction Committee cares for the religious, scholastic, and social life of the students. The

# and the Faculty

Library Committee, the Music Committee, and the Athletic Committee each administer in their respective fields.

During the year the faculty wives organized a club which is known as the "Faculty Dames." On February 14, after one of Hope's basketball games, the "Dames" entertained the students in Carnegie Gymnasium with fun, food, and frolic.

It may be clearly seen that Hope's faculty is united in spirit and endeavor to accomplish one task — that of helping Hope students and guiding them towards lives of Christian service to God and country.

# Seniors Come to Close of College Career

Great Allied Losses! The Philippines Have Fallen! These were the shocking words which greeted the ears of American people in the fall of 1942, when 187 members of the Class of '46 entered the portals of Hope. The outlook was none too bright for the freshman class and the other members of the student body, for every day familiar face's were disappearing from the campus. Hope's boys were going to war!

> The freshmen played an important part, however, in boosting the morale of Hope's dwindling population. Winning the last "pre-war" frosh-soph pull through Black River unified the members of the class and aroused a great deal of spirit. Their enthusiasm was little

> > dulled by the loss of the Nykerk Cup Contest by only one point. Any disappointment was more than counteracted by their winning the cup the following year.

The traditional junior class project, the MILESTONE, was carried out with equal enthusiasm and success. But lighter moments came, too, with hayrides and parties in the gym.

With their surrender, Messrs. Hitler and Tojo gave the members of the senior class one year in which to see what college life is really like in peace time. The war is over; the boys are back; and now the graduating class passes from college life into a world of challenge and promise.

The End Is Near - Baccalaureate 1945 Commencement 1945 Preview - Commencement 1946

SENIOR OFFICERS

....Treasurer

Vice-President

Secretary

President

Gerrit Levey

Alice Laughlin.

Jim Muddle .....

Betty Fuller.

With a record year for difficulties, the Milestone staff was grateful for its master problem-solvers, Dr. Clarence De Graaf, adviser, and Neil Steketee, printer.

A peacetime complication, the increasing enrollment, had Phyl Haskin in a daze, trying to get everyone's class picture taken. Ade Bos, who returned to college second semester, almost took pictures in his sleep to finish the photography, unavoidably much behind schedule.

"Tammy," as art editor, and Bill Haak, manager of a particularly successful business staff, had fewer troubles, but Rozy, assistant editor (Dead-line Dora to the staff), developed a pathetic look which could have wrung a delayed write-up from the Great Stone Face, while Luella, as editor, did everything from pinning up a backdrop with bobby-pins to wearing out the Van Vleck fire escape in the wee hours of the morning.

## Milestone

## JUNIOR CLASS

Entering into the fun of postwar college years, the juniors depicted wartime Hope as their part of the Homecoming parade, complete with girl football players. At the Freshman Mixer in the fall, a quartette exemplified the lofty aspirations of the class by singing "The Firemen's Ball." And in March we had a super hayride (the first of the season) with the Haverkamps and the married people of the class as chaperones.

Dig for the Clam' Soph Party

# Sophomores Were

#### SOPHOMORE CLASS

It was clearly visible last September that the sophs had lost none of their class spirit during the summer months and were again "raring to go." Their ingenuity produced a clever comedy and entertaining minstrel show for the first mixer of the year. Enthusiasm reached a peak when the class staged parades with banners, slogans, and an effigy of a lowly freshman.

Pep meetings helped to build morale for the traditional pull across Black River at Homecoming. S-o-p-h-o-m-o-r-e-s pull! 1-2, 1-2. Yeah team! Although the opposing team, picked from the much larger freshmen class, forced them to yield, the spirit of the sopohomores remained undaunted. Almost daily returning veterans joined their ranks. In fact, a great deal of the credit for Hope's tying first place in the MIAA basketball championship is due to sophomores on the team.

First Row: Norma Albers, Phyllis Andre, Barbara Archer, Lois Austin, JoAnne Biddle, Robert Boelkins.

## Hard Workers

The Nykerk Cup Contest in November for freshmen and sophomore girls developed more competition in the fields of drama, music, and oratory. Though freshmen managed to carry off the cup, sophomores displayed singular talent and were requested to repeat their one-act play, "Girls Must Talk," in Holland and Muskegon.

On a Saturday night in March, sophomores in jeans, red plaid shirts, and their best old clothes assembled in Hill-Billy Heaven for a rip-roaring time with folk games and fun in true mountaineer style. Famous for its vim, vigor, and veterans, this far-sighted class already has plans well underway for 1946-47.

# Freshmen Were Nykerk, Pull Winners

#### FRESHMAN CLASS

"Show your green! Show your green!" are familiar words which greet each freshman class. This year has been no exception, and after the first All-College Mixer, each frosh, for a slight remuneration, was given the privilege (?) of donning a beautiful green chapeau! A six-weeks nightmare followed as they obediently touched the ground with bow or curtsey to countless cries of "Pot, Frosh."

Although only newcomers, the class of '49 proved that it was an outstanding one in many fields. On November 19, their "red-letter day," they captured the coveted Nykerk Cup by displaying talent in the fields of music and oratory, as well as captivating the audience with the delightful comedy, "Polly Put the Kettle On."

To add to the excitement, after the contest the frosh gaily tossed their green into the roaring fire that had been kindled on the athletic field. However, on the following day several guilty "non-wearers-of-the-green" learned that "crime does not pay."

The week before Homecoming saw the freshmen boys doing "push-ups" and "deep-knee bends" on the athletic field in order to get in condition for the long anticipated "Pull." All sore muscles and lame backs were amply rewarded, however, when the sophs came tumbling and splashing through Black River, and the frosh invaded Holland's business section with a snake dance.

And so, with fun, frolic, and hard work the frosh have made themselves a vital link in the chain of Hope.

# Department Clubs Cater

Lett to Right. J. Mooi, A. Reagan; DR. G. VAN ZYL, ADVISER; G. LE-VEY, PRES.; E. Ratering; DR. H. KLEINHEKSEL, ADVISER; E. Van Tamelen, D. Mulder.

#### CHEMISTRY CLUB

Composed of selected chem majors, whose ranks have recently been increased by the return of several veterans, the Chemistry Club endeavors to instruct its members in preparation for the research work many of them plan to enter.

Holding few regular meetings, the members usually assemble in smaller groups in the qual, quant, and organic labs in the science building. Some of them devote two afternoons a week to assisting in the freshman lab, thereby helping other "Van Tamelens" to get their start. And so, with laughing and joking and an occasional party interspersed in the more serious work conducted in the

labs, the chemistry students lay the foundation for careers they intend to pursue in later life.

#### SCALPEL CLUB

Now in its fifth year, Scalpel Club has become an essential part of campus life for pre-medical, pre-nursing students, and biology majors. Though membership is restricted, many of the meetings are open to the entire student body.

One of the outstanding speakers of the year was Dr. Matthew Pielen, recently returned from Germany, who emphasized the importance of the basic sciences in pre-and post-operative cases. As guests of the Ottawa County District Nurses' Association,

Third Row: Dr. T. VERGEER, AD-VISER; B. Boelkins, M. Mellema, D. Drew, P. Tanis, J. Palmer.

Missing from picture: M. MAURER, SEC.; H. van Donkelaar, R. Bartholomew, M. Brewer.

Scalpel Club heard Dr. S. L. Rector speak on "Trends in Control of Cancer." Later in the year Dr. Mary Lou Byrd presented to the group the advances of modern anesthesia. Papers by the students and a symposium on parthenogenesis proved that they too could stimulate interest in modern scientific developments.

#### **ELEMENTARY TEACHERS' CLUB**

In the spring of 1945, a group of students interested in elementary education met in the kindergarten of Washington School to form an organization for future elementary teachers. With

the able assistance of Miss Caroline Hawes, the Elementary Teachers' Club was formed. Its purpose is to give underclassmen direct contact with teachers' experiences and to promote interest in their work.

The first meeting was a huge success. Mr. Moran, public school gym supervisor, directed a program of games for all grades. Another meeting included an interesting lecture and display of children's literature given by the children's librarian of the Public Library. The club, although a new organization, promises to be an outstanding addition to our campus life.

## **ENGLISH MAJORS**

Juniors and seniors who are majoring in English literature and rhetoric find their study well complemented by lively discussions which are held once a month in English Majors Club.

With "Regionalism" as a theme this year, special reports were given at each meeting which introduced writers who represented a particular section of the country. A visit to the Mid-West afforded a meeting on Mark Twain and one of his "tall" stories as told by Dr. John Hollenbach. In the same way the club found occasion to study Michigan, Missouri, Illinois, and New England.

After the formal program, Dr. Hollenbach and Dr. Clarence De Graaf, with their stimulating contributions, vied for attention with cakes, apples, cookies, or Boston brown bread, "because we're studying New England."

As a special feature, on March 4, the entire club chartered a bus and traveled to Grand Rapids to see a colorful presentation of "Macbeth" by the Civic Players.

#### KAPPA DELTA

At the beginning of the second semester, a group of co-eds on campus felt the need of establishing a sister organization to Alpha Chi for all young women interested in Christian service. So,

Third Row: K. Ponstine, M. Van Vranken, B. De Ryke, J. Huizenga, B. Fuller, H. Muyskens, A. Van Kempen, B. Hellenga.

Missing from picture: R. VRIES-MAN, VICE-PRES.

with the help of Alpha Chi, Kappa Delta was formed.

The charter members drew up a constitution, elected officers, and invited Mrs. Eugene Osterhaven to be their sponsor. Few regular meetings have been held as yet, but enthusiastic plans are being made for the coming year. Outside speakers will acquaint the members with the opportunities in the field of Christian service, and lend a helping hand in preparing them for their future work.

#### ALPHA CHI

One of the lights which Hope has never allowed to flicker through the many days of the war and subsequent days of the peace is the stress upon the spiritual side of life. Helping to emphasize an added spirituality is the Alpha Chi organization.

All pre-seminary students and students interested in active Christian service are eligible to attend the meetings of Alpha Chi, which are planned under the supervision of the Rev. Paul Hinkamp.

Throughout the year inspirational and helpful talks were given on such subjects as "The Art of Pastoral Counseling" and "The Value of the New Testament in the Original Greek." Other speakers attempted to explain some of the problems which leaders will encounter in Christian service.

Along with their regular monthly meetings, Alpha Chi has had a meeting with their sister organization, Kappa Delta, and also has conducted several chapel services.

Alpha Chi Initiates New Members

Missing from picture: MISS N. MEY-ERS, ADVISER; R. Hoffman, G. Langley, M. Schroeder.

#### FRENCH CLUB

"Allons enfants de la patrie . . ." are familiar words to each Hope Mademoiselle who has lustily sung out the refrain of La Marseillaise at every monthly meeting of "Le Cercle Français."

Throughout the year well-planned meetings centering upon various industries and customs of France produced genuine "esprit de corps" among the Club members. One of the most unusual meetings of the year featured a discussion of the perfume industry in France and was highlighted by a display of perfumes which were purchased in the city of Grasse by a veteran who served with the armed forces in Europe. Another topic which captivated feminine interest was a comparison of prewar and post-war fashions of New York and Paris design.

Mademoiselle Nella Meyers entertained the girls at her home on two occasions — at Christmas, when the French Yuletide customs were studied, and in April, when Mr. James Prins told the group of various experiences as a G.I. in France.

#### GERMAN CLUB

"Deutschland Über Alles" recalls the peaceful Germany of pre-Nazi times as members of the German Club gather to consider Germany of today and vesterday. The high point of club interest in Hitler's regime was reached when several of Hope's returned veterans told of their life in wartorn Germany. The ex-soldiers recounted experiences of routine flights over German territory

de la Patrie"
"Deutschland Uber Alles"

"Allous Enfants

and of prison camps under ruthless SS men. Then,

forsaking the issues of war, they spoke about the

German people and their way of life.

German cookies were served, German games played, and German songs were sung at an enjoyable meeting held at Christmas time at the home of the club adviser, Miss Laura Boyd. A German celebration of a universal holiday was the topic for discussion.

In a period of prejudices and race-hatred the German Club does its part to understand a conquered enemy and devastated nation.

#### SPANISH CLUB

This year, for the first time in the history of Hope College, a Spanish Club was formed. As an outgrowth of the informal "Cantemos" groups held in preceding years the Spanish Club continued m this same vein of informality. "Vamanos mis amigos" was the password every first Thursday of the month, and the place for meeting was the living room of Mrs. Peter Prins, faculty adviser. To stimulate an interest in/and a familiarity with the language, the conversation (?!!) was in Spanish.

Some of the more outstanding meetings of the year included a lecture by Alyce Alderink, returned missionary from Peru; a short talk by Roger Kempers, acquainting us with Mexican music and characteristics of the Spanish people, several Spanish sings, and the spring picnic at Kollens' Park.

Spanish Club has attempted throughout the year to engender in its members a love for the Spanish language and a lasting interest in the Spanish-speaking countries.

#### **CHOIR**

Because of the increased number of tenors and basses the choir was larger this year than during the wartime school terms. Every morning some ninety members filed into the choir loft to add their singing to the beauty of the chapel service.

Besides participating in these chapel periods, our choir had occasion to sing for several special events. They sang at the Christmas vespers (a

Red Cross benefit) and again at the vesper in March. During Prayer Week the choir served by rendering special music; during February they contributed to a program celebrating the ninety-ninth anniversary of the founding of Holland. They even represented Hope on the air, singing from Grand Rapids over a national hook-up on the Reformed Church Hour.

Special mention must be made of the retiring director, Mrs. Snow, and the present director, Mr.

> Cavanaugh. Mrs. Snow accomplished a splendid job during Mr. Cavanaugh's period of naval service. We thank her and say to the former ensign, "We're glad to see you back."

#### MUSICAL ARTS CLUB

Throughout the war and this first year of peace the Musical Arts Club has pursued a course which attempted to provide cultural advantages for Hope's music students and any other students interested in music.

At Christmas-time and in March, Musical Arts gave its traditional Vesper services in the Hope Memorial Chapel. When ushers were needed for the concerts and recitals given in the chapel, Musical Arts was prompt to offer her services for the advancement of these musical programs.

Each month the members of the organization met in the basement of the chapel. The meetings centered about the lives and the works of the world's great composers and included an organ recital in Grand Rapids.

Glee Clubs Made Many Trips

Tuesdays and Wednesdays Were Practice Days

#### GLEE CLUB

Nineteen forty-six was an eventful year for the Hope College Glee Club. Beginning the year with a potluck supper at Mrs. Snow's home, the older members soon became acquainted with their new nightingales. Then followed work, for invitations were streaming in from everywhere. The girls sang for Homecoming, vesper services, and Prayer Week, besides fulfilling the many engagements outside of our campus at the various Holland churches, the Century Club, Holland High School, and the Women's Literary Club.

These invitations, however, were not limited to Holland, for the girls traveled to Grand Rapids, Zeeland, and Muskegon. Dressed in robes, black street dresses, or formals, they sang for church services and made concert appearances, spreading good-will for Hope.

In the spring came the much-talked-of "trip." Roommates were chosen, clothes were discussed, plans were made, and money was saved. And then these Hopites blazed their trail from Holland to Detroit, Rochester, Schenectady, New York City, Long Island, New

All Eyes On the Director

Jersey and back again to Holland. With memories of a successful tour, the girls continued to work

and present concerts in our local community before ending a year of much activity.

#### **ORCHESTRA**

With a membership of forty musicians from Hope and outlying communities, the orchestra has

developed into an organization of great musical value to Hope College. Under the direction of Mr.

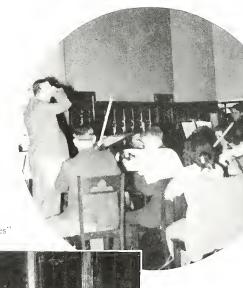

Palmer Quackenbush, well-known musician from Grand Haven and conductor of the West Shore Symphony, the "music-makers" tuned up every Wednesday in the Alpha Sigma Alpha room in Van Raalte, meeting first in the evening and later in the afternoon.

In December the orchestra made its first appearance of the school term, presenting a group of numbers for a Sunday afternoon Vesper service sponsored by the Musical Arts Club as a Red Cross Benefit.

A spring concert presented by the orchestra in May proved to be one of the outstanding programs on Hope's calendar of events. In addition to an excellent rendition of the "Allegro Moderato" from Schubert's "Unfinished Symphony," the group skillfully played "Russian Choral and Overture," Isaac; "One Morning in May," Carmichael; "Chop Sticks," a fantasy, Evans; "Intermezzo," Bizet, and "Beautiful Lady," Caryll. Included in the program were selections by Miss Betty Fuller, harpist, and Miss Claire Wierenga, soprano.

Missionary Play Good News or Otherwise?

Hope's drama and arts club, known as P. and M. was under new leadership this year with Dr. John Hollenbach and Mr. Edward Avison at the helm. Encores highlighted the production schedule. The Homecoming one-act play, "Ringing in the Groom" was repeated at Zeeland, and the Missionary play, "If I Be His Disciple" was presented in several of the local churches and nearby cities.

"This Is Mrs. Henry De Peyster Morris Speaking!"

'Outward Bound" - "I Love You, Ann'

#### RINGING IN THE GROOM

This comedy pictures George, a young lover constantly postponing his marriage because of the burden of supporting his own mother and family. Granny intervenes, soon has George believing that Ruth, his fiancee, will no longer wait for him, and promptly puts an end to all George's hesitation. The play ends happily — for George, Ruth, and Granny, at least.

#### IF I BE HIS DISCIPLE

In this missionary play, Dorothy, a young college graduate,

has plans all made to continue her musical education with the help of a thousand-dollar check from her uncle. But she ends up giving the check to the work of a missionary friend and dedicating her musical talent to the same Christian service.

#### OUTWARD BOUND

Under the capable direction of Mr. Edward Avison, P. and M. presented for the first time in four years, a three-act play—"Outward Bound," by Sutton Vane. It was presented May 1 and 2 in Carnegie Gymnasium.

The setting of this psychological drama, which is filled with mystery and suspense, is on board a small ship "outward bound" for eternity. As the play progresses, each passenger aboard ship finally comes to the realization that he is no longer living, and the final act finds the characters receiving their just reward for the lives which they have lived on earth.

## Forensics—Speakers Proving Ground

Helen Goff - Woman's Oratory Winner

#### WOMEN'S ORATORY

"You really ought to be a statesman," said one of the women in a group for which Helen Goff presented her winning oration, "Nuremberg Lessons." Showing how insignificant beginnings may have tremendous consequences, as did the Nazi Jugend, she urged youth to begin working for infinitely higher goals — the world-wide love and fellowship resulting from firm faith in Christ. "Bunny" represented Hope at the M.I.S.L. State Contest in Detroit on March 8, after taking first place in the local Adelaide Contest.

Isla Van der Heuvel, who placed second, summarized the many and varied problems which returning veterans en-

counter. "Little wonder," she said, "that there lurks a general spirit of pessimism; but this can be dissipated if we face the problem squarely."

Paul Fried - Men's Oratory Winner

#### MEN'S ORATORY

The chapel was silent after Paul Fried's oration, "The Price of Peace." He had shown his audience why the victorious nations must develop a genuine sympathy and friendship for the German people, if the peace is to endure. As a refugee from Austria, he knowingly pleaded for United States leadership in this humanitarian compassion for the defeated. Fried took highest honors in Hope's Raven Oratorical Contest and represented the college in the M.1.S.L. State Contest.

Bob Schuller, second-place winner in the local contest, sought substantial tokens of forgiveness for the conquered nations. In his oration, "If Thine Enemy Hunger, Feed Him," Schuller emphasized that the suffering Germans should not be held accountable for a war for which many of the common people were not responsible.

Schuller Airs His Views

#### GROUP DISCUSSIONS

This year for the first time Hope has sent representatives to the state group discussions, held at Kalamazoo College on December 7. The general topic was the same as the debate proposition — the policy of free trade. In addition to the usual oral critcisms the critics gave individual scoring on such factors as cooperation, general knowledge of the subject, and tact. The day's activities ended with a banquet and a speech on the economic basis of free trade.

#### DEBATE

Debate this year has begun to gain momentum

and approach the place it held in pre-war years. The proposition, "Resolved: That the United States direct its policy toward the establishment of free trade among the nations of the world," required a thorough knowledge of economics and current history, which has proved beneficial to all the debaters. Along with the more serious side of forensics came the social times, such as the gay Chinese dinner on the way home from the state tournament, and the delicious steak dinner at the Red Brick Tavern after the freshman tournament.

Unable to meet Calvin in the usual practice clashes, the teams did their first extramural debating at Michigan State on Feb-

ruary 16, where the experienced teams ended the contest in a three-way tie for first place. The following week the seniors debated at Manchester, Ohio, where they experienced four wins and four losses. On March 29 the freshmen entered a tournament at Western Michigan and won half of their debates against others of similar experience.

#### INTERPRETIVE READING

Under the leadership of Mr. Edward Avison,

the speech department has begun a new phase of forensics — interpretive reading. As the *Milestone* is being assembled, work is beginning for a local

contest, which will be divided into prose and poetry reading. The winners will represent Hope in the state contest.

#### PI KAPPA DELTA

The only national fraternity on our campus, Pi Kappa Delta, continues to encourage and instruct students in the fine art of speech. Each fall it sponsors a rally for new students, in order to

explain the opportunities in various fields of forensics. At the annual spring breakfast last year, May 7, Miss Ross urged the chapter to build up oratory to the place it had previously held on Hope's campus.

## YW and YM

Y. W. C. A.

Spiritual rejuvenation through

a varied selection of speakers and lively forums was the aim of Hope's versatile Y.W.C.A. officers, cabinet, and adviser, Miss Margaret Gibbs, this past year. The girls achieved it, too. Their initiation service brought eighty girls into the fellowship of Y. The annual Candlelight Music Service stimulated peace and a quiet devotion to God; the missionary play created a spirit of helpfulness in a world of need and appropriately preceded the drive to collect clothes for the Netherlands Relief.

In January the cabinet voted to become an active member of the National Student Council of Y.W.C.A., after two representatives had been sent to the Albion Conference in the fall. Two months later the cabinet entertained the newly elected officers and cabinet members at a traditional American breakfast of pancakes and coffee. Then came the month of May, when early morning greetings, plans for the future, and the beginnings of inescapable goodbyes were exchanged over the breakfast table by the new cabinet, the senior girls, and the women of the faculty. Thus Hope's "Y.W.," through its social and religious activities, continued to inspire Hope co-eds to an enriched life of service.

#### Y. M. C. A.

The Y.M.C.A. faced a great challenge this year in appealing to the increased enrollment of male students on Hope's campus. True to their motto, "Make Christ King of Our Campus," the cabinet, faculty adviser, Rev. Eugene Osterhaven, and members strove to advance a spirit of devotion and loyalty to God and His truths.

Each Tuesday evening a variety of programs was presented by the participation of faculty, students, and outside speakers. A missionary to China, Rev. Edwin Koeppe, related the serious crisis which Communism is causing in China and included his many first-hand experiences there. Later in the year Dr. H. W. Pyle gave an inspira-

tional talk on the goal of man on earth. Experiences with American troops in India and a realization of God's beautiful handiwork were presented by Army Chaplain Lauwenaar and Navy Chaplain Boerman. Dr. Thomas Welmers

returned to his familiar camping grounds to stress the need of evangelism within the church. With the help of these devotional talks the members gained an insight into the great need of Christian leaders in our world today.

## Y JOINT ACTIVITIES

Amid the sand dunes of Lake Michigan, the Y.W. and Y.M. together took the responsibility of entertaining and feeding all the new students on the campus during orientation week. Then came the all-college skating party, a source of bruises and friendships. In November, after much puzzling over the mystifying posters on the campus, the student body and faculty, in answer to the cries of Rev. Osterhaven's baby and the appealing speech and singing of Rev. Emmet Waite, topped the scales to the tune of \$1275.50 to help in the migrant work.

Community churches were served throughout the school year by deputation teams of trios, and duets, and student speakers. The increased number of joint meetings, featuring missionaries and ministers, found great favor among the Hope co-eds. Appropriately the second semester of school began with our annual Religious Emphasis Week, led by the dynamic Dr. Will Orr of Des Moines, Iowa. Throughout the week of chapel services, personal conferences, afternoon prayer meetings, and the Y meeting Tuesday evening, every Hope student looked forward to Dr. Orr's southern accent, quick wit, practical advice, and spiritual reservoir. Finally it was time for new cabinets to take over the responsibility of "Y;" they were challenged to the

task at the annual spring retreat.

## These Also

#### PAN-HELLENIC BOARD

Pan-Hellenic Board, the governing body of sororities on Hope College campus, consists of the president of each society, and a junior and senior representative from each society. Junior representatives have been included on the board this year so that they can gain experience in the organization even though they do not take an active part in it.

This year Pan-Hel has put into effect the new rushing rules that no girl may become a member of a sorority until her sophomore year. To take the place of sororities in the freshman year, the board has organized a freshmen girls' club, Alpha Sigma Alpha. In addition to assisting this organization by sending representatives and checking its constitution, the board has been busy resolving small sorority problems.

The purpose of Pan-Hellenic Board is to see that all sororities adhere to inter-sorority rules. It is the principal aim of this democratic organization to make sorority membership possible for every girl who desires it.

#### ALCOR

May Day 1945. The audience about the queen's throne in the pine grove is silent, tense, and expectant. Suddenly it breaks into spontaneous applause as the new members of Alcor are announced one by one, and each comes forward to be "tapped" by the former president. Every co-ed hopes some day to become a member of this senior honorary society, but only a few of those most outstanding in scholarship, participation in college activities, and "personality plus" are accorded this high honor.

## Serve

Witches and black cats provided a Hallowe'en atmosphere to start off this year with an Alcor waffle supper at the home of Miss Elizabeth Lichty, adviser. Alcor's infant project, the Koffee Kletz, which has already become a traditional part of

Norma Albers - Personality Smile

Hope College, occupied a large share of its time. Judging from the lineups at the door, the popularity of the Kletz and the gals who made the Koffee would rate about tops, especially with those who habitually missed breakfast. In December a gayly decorated evergreen in the Kletz and a festive party contributed to the campus Christmas spirit.

A trip to Grand Rapids for a concert and initiation of new members closed another year of service to the high ideals symbolized by the star of Alcor.

This year's "Blue Key Cluster" is unanimously awarded to the girls of A.D.D., who so willingly took over the difficult task of managing Hope's bookstore while "the boys were away." Although the A.D.D. members were constantly faced with such problems as shortages of books and school supplies because of the war, and later with a large increase in enrollment, they came through with flying colors (much to the amazement of the treasurer). A constant stream of incoming and outgoing telegrams really kept the girls busy, especially when supply companies would wire, "Sorry, order not available." Worried professors continually "buzzed" into the bookstore with a distressed "Haven't the books I ordered come in yet?"

Probably the most enjoyable part of the girls' work in A.D.D. was the job of selling candy, ice cream, and peanuts at the Hope basketball

Jerry Raises Hope's Standard for A. D. D. Mr. Vander Borgh Drinks Coffee . . . It's the Dutch in Him

game. And oh! how popular those candy vendors proved to be!

Next year the A.D.D. members will be relieved of the "confuzzin' headache" of the Blue Key bookstore, for they are "giving it back to the Indians." However, a great deal of praise must be given to the girls for their splendid work, for they did a grand job.

#### **ANCHOR**

Eager to voice the opinions and interests of the large group of servicemen enrolling at Hope throughout the year, Ruth Joldersma, editor-inchief, and Associate Editors Vivian Dykema and Elaine Meeusen marshalled in a new section of the paper, edited solely by veterans on campus — enlarging *The Anchor* for a time from a four to a six-page bi-weekly publication, and with wartime restrictions swept away, *The Anchor* proceeded to turn out copy on a pre-war scale.

News concerning both sororities and fraternities was edited by Glenna Gore. Feature editor, Bobbie Bilkert, and her staff reeled off articles which catered to "campus" gossip. Dorothy Weyenberg's business staff hunted down more ads to meet the expenses of an enlarged paper. Distribution of *Anchor* copies to those still in service was continued by Nellie Mae Ritsema and her circulation crew.

Elame Pours
Ballet — Formal Party

All hands were on deck as enthusiastic mates aboard Ship Delta Phi cast out to sea in September. Guided by a jovial, hard-working crew, the sturdy craft glided down Lake Michigan to Gunn Cottage, where the charter was lined up and sails again unfurled.

A feature attraction during this early part of the voyage was a "parade of fashions" reviewed by the crew and guest passengers at a tea in the main dining hall. After a Christmas breakfast on shore, chief cooks on board proved their own skill in culinary art at the delicious Valentine's Day potluck supper, which provided plenty of food and frolic. On two occasions the ship lay at anchor at Port Warm Friend — during the homecoming

luncheon in honor of veteran Delphi seafarers and at the mid-winter ship ball. Special shore-leave was granted for this formal party, at which mates and guests witnessed the original arrangement "Fantasy on a Vanity."

Another highlight of the trip was the meeting of Ship Delphi-Ship Sibylline in mid-sea. Delphians boarded the Sib ship and were royally

entertained with a fashion show of spring styles.

Finally docking at Saugatuck, Delphians and their escorts met the members and guests of Sorosis at a spring party at Baldhead Hotel. Then, as shipmates came to shore for the summer, ship bells called a final conclave to bid "Bon Voyage" to senior sisters, and to anticipate coming years of happy sailing on Ship Delta Phì.

Food and Fun at Mardi Gras Southern Belle — Formal Party

"Kappa Beta Phi — 1945-46" is engraved on the cover of our Dorian scrapbook, crowded with memories of laughter and good times, serious moments and hard work. First a brightly colored autumn leaf recalls the day school opened in September — the enticing smell of a wood fire, and golden ears of corn roasting in ashes. Pictures of the house-party at Lake Michigan follow and wisps of straw from the hayride in the fall. Next an invitation to the traditional Homecoming brunch for Miss Laura Boyd and our alumnae.

Turning the pages we find the program for a fall concert featuring Chopin's "Polonaise," a special "Extra" edition of the *Dorian News*, and the "Dark Symphony," stressing color discrimination in a dramatic presen-

tation of "Wingless Victory" by Maxwell Anderson. An Erlenmeyer flask! (Leave it to Terby to bring chemistry into our meetings.) Pinned to another page is a gay, colored patch from the Hobo Convention, a score card from our radio quiz, and a beautifully pressed gardenia reminiscent of the gala Mardi Gras Ball in February. Spring meant fun and fellowship in joint meet-

ings, redecorating our room, and picnics at Macatawa Beach. Dedicated to the seniors who are leaving us, the last page renews memories of four wonderful years of scholastic achievement, service in campus activities, and many lasting friendships, in the words of our Dorian creed, confined "not to the circle of Dorian but reaching out to all humanity."

This is station SIB, broadcasting from their studios at Hope College and presenting their Hit Parade of the year 1945-1946. Topping the list in the fall term was the slumber party. "I'm Dreaming . . .," but who ever heard of that at a house

party? Surely not a Sibylline! Then the strains of "Take Me Out to the Football Game . . . " rang through the night as Sibs trooped to Riverview Park to add their cheers to those of the crowd.

Next our Hit Parade of the second term featured

the winter formal party. "White Christmas" and "Ringing Sleighbells" provided background for the gay, festive holiday spirit. Formal initiation followed as all members rededicated and reconsecrated themselves with "Thus we pledge to Sigma Iota Beta, to Sibylline." During this Hit of the Parade, three new Sibyls, crowned with laurel, took their vows to the silver and blue before their sorority sisters.

And here it is! Our final Hit of the year, the spring term, highlighted by joint meetings—"We Ought to Do This More Often." Afternoon teas, fashion reviews, and beach parties plus the Tri-Alpha meeting—each came in for their spot on our social program. To conclude our Hit Parade for the year, all Sibs assembled for the official farewell as the seniors gave out with the old hit, "Smile the While, We Bid You Sad Adieu," and the juniors and sophomores continued the serenade with "I'll Be Seeing You" next September.

"Hial to Sorosis" rang clear and strong over Lake Macatawa on September 18 when Sorosites gathered at "Hearts Ease" cottage for one last evening of peace(?) and freedom before their return to a busy college life. Nat Bosman, prexy, attempted to preside over the gab-fest and appropriately inserted some business at regular intervals.

Later in the fall the Sorosites were seen in rolled-up jeans, wielding paint brushes in an attempt to redecorate their "residence hall," and after several work nights the result was a sparkling room, a gleaming white piano, a new carpet, and hopes for new furniture. At the annual Christmas tea the winter term officers were elected.

In January the Sorosites climbed aboard "The Good Ship Lollipop" and set sail for the Warm Friend Hotel to attend Sigma Sigma's most colorful event of the school year — "The Peppermint Ball." Spring found members enjoying an amusing joint meeting with Tri-Alpha, an impressive seasonal tea with Sibylline, and the annual Sorosis-Alumnae meeting. The Delphi-Sorosis joint spring party and graduation were the memorable events which closed the sorority year.

Sorosis, Hope's oldest existing sorority, organized in 1906, bids a fond farewell to its departing seniors — exceptionally fine leaders, who during their years at college have truly made "the crescent banner... the star of Hope,"

Quick Change Secretary Takes Roll Thesaurian Welcomes New Members

September found the members of Theta Gamma Pi in old jeans and shirts ambitiously redecorating their sorority room. Between the scattered paint drops from the ceiling, plans were enthusiastically, but vaguely, formed for the new year. Many of these plans, however, did become events. Naturally the subject of new members was foremost in the minds of the painters, and several ideas of entertainment for them were given. The entertainment proved to be an Italian spaghetti supper which gained nine new Thetas for the sorority. One of the painters, recalling old times, talked of alumnae, which suggested the breakfast that was later held with alumnae as guests.

Naturally enough, party plans were talked of at the paint session, but it wasn't until much later that "Fad and Fantasy" was chosen as the theme of the spring formal at the Warm Friend. Amid the squeals of puzzled hat designers and delighted models, the Thesaurians and guests soon discovered that Paris had no monopoly on the creation of unique hat styles.

In September the decorators had foreseen many activities for the year, but an inventory at the end of the year showed more fun than was ever anticipated.

#### ALPHA SIGMA ALPHA

Anyone wandering around the third floor of Van Raalte is likely to notice a large, cheery room with pastel walls and long floral drapes. It is the home of Alpha Sigma Alpha, the Freshman Girls' Club. Its name meaning the Original Sisterhood, Alpha Sigma Alpha was formed this year, under the direction of Pan-Hellenic Board, as a social organization uniting the Freshman girls, who waived membership in sororities until their sophomore year, according to new rushing rules. Mrs.

#### Peter Prins was elected adviser.

In January the members and guests, clad in jeans and shirts, presented the original "Korn Kapers" at the Literary Club. Everyone kept up a high spirit of hilarity with square dancing, an entertaining program, and refreshments. In the spring the same versatile lassies were seen strolling with their escorts to their formal party. Later they turned beachcombers for a picnic which was one of the final highlights of a year in Alpha Sigma Alpha.

#### TRI-ALPHA

From freshman initiation through winter formal and spring parties Tri-Alpha men set a rapid pace for activities throughout the year. On Friday nights they gathered for the serious and humorous alike. Freshman initiation found the "dogs" (pledges to you) partaking of the strange foods and weird brews concocted for their special benefit by the upperclassmen. Strange sights were seen as freshmen wriggled under water tanks, or waited for hours by lonely, dark cemeteries.

Tri-Alpha men went riding through the wide

open spaces at their "Boots and Saddles" winter formal at the Warm Friend Hotel. Not the least of this year's activities was the publication of the Student Guide, a directory of both students and faculty.

Without a doubt the most intriguing meetings of the year were the joint meetings held with Hope's sororities, where the unpredictable was always bound to happen.

Tri-Alpha came through this year as the leading men's organization on campus filling the gap left by the war-struck fraternities.

Co-championship . . . games pulled out of the fire in the last 60 seconds . . . Glory Day . . . what more could a student body ask of its basketball team?

The season began rather badly for the quintet as the Percy Jones team really gave Hope some professional competition before meeting league contestants. Nevertheless, a hard-fighting, scrapping team developed rapidly and emerged with eleven wins as against four defeats.

Hope met the highly touted Percy Jones squad on their floor for the first game of the season. The Hingamen couldn't drop in an extra ten points to chalk up the first victory, for the quintet came out on the short end of a 54-45 score. The second game with Percy Jones was scheduled for a week later, and again the Dutchmen fought a losing battle, this time to the tune of 58-34.

Stung by two successive defeats, Hope gunned for a victory over Hillsdale, and came up on the top side of 76-47. Hillsdale was helpless as Hope ran circles around them and was able to score at will. Zuverink's shooting eye was really in working condition as he rang up a total of 30 points and, incidentally, broke the league record for individual scoring in one game.

Hope started the new year right by handing Muskegon Junior College a 57-36 trouncing. The

What Voices . . . What Cheerleaders . . . What Form

Gabby Made Another Basket

cagemen then journeyed to Albion, only to end a hard-fought game nine points short of victory, 55-47. Mulder and Slager were the mainstay of the team, but they were unable to stem the Albion scoring attack.

The third M.I.A.A. game furnished plenty of opportunity for Hope's cheering section. The play was evenly matched, point-for-point, until the beginning of the second half. Hope then showed signs of tiring, and Alma forged ahead to a 73-60 win. Even more exciting was the Kalamazoo game in which Hope finally eked out a 44-41 victory in the last three minutes. Mulder, with his usual speed, accurate passing, and sure shooting, was the sparkplug that set up the plays. "Gabby" Van Dis and "Porky" Dalman broke into the line-up for the first time since they were discharged from the army.

Hope continued its winning streak as it downed Ypsilanti 67-62 in a hard-earned victory. Lloyd Heneveld proved to be the star, sinking 21 points. The Hingamen then turned to their bitter rival, Calvin, and succeeded in trimming them 60-52. Hope was really "in the groove" as it turned in its third win in five days.

Ypsilanti, in an attempt to avenge its previous defeat, was denied this privilege as the regulars teamed up to upset Ypsi 65-52. There was no individual star, for all were playing for the team. Yet, the four regulars, Mulder, Scholton, Van Dis, and Zuverink, poured in the baskets as each reached double figures, 14, 13, 11, and 10 respectively.

The night of February 8 will live long in the memory of Hope basketball enthusiasts, as the year's most exciting game was hotly contested with Hope coming out the victor by one point, 47-46. The lead changed sixteen times, the sixteenth being when 60 seconds were left of the game. Captain Mulder broke up the tight battle by intercepting a Kazoo pass, dribbling the length of the floor, and climaxing the feat with a dog-shot that proved to be the winning tally.

Albion invaded Holland with the aim of clinching first place in the M.I.A.A. tournament, but the Hope quintet did not give up

until the final whistle blew. And then it was a case of too little and too late for Albion as they found themselves on the wrong side of a 67-50 score. Mulder. Van Dis, and Zuverink again hit the bucket to score 17, 16, and 15 points in ringing up the eighth victory. Slager, Hope's star backboard artist, proved his worth defensively as the buccaneer of the backboard.

Hope combined sizzling passes and accurate shooting to vent their revenge on the Alma quintet which had formerly defeated them. The Dutchmen literally swept Alma off their feet while winning 77-53, lead by Heneveld whose shooting eye gave us 2-4 points. The return Hillsdale game was an easy win as Hope smothered them under a barrage of baskets that netted Hope a 79-32 victory. Coach Hinga used all the players, and all tallied in the highest scoring game of the year.

The end of the season was fittingly climaxed as Hope bested the traditional rival Calvin 58-37. Calvin was unable to match our speed and passing, but they were also at a loss to combat

Mulder's one-handed shots from beyond the foul circle.

Hope concluded the year with eight consecutive wins and 883 points as against 748 for the opponents. To climax such a successful season, Don Mulder, guard, Gabby Van Dis, forward, and Art Slager, center and guard, were named to the all-state M.I.A.A. team.

It's In the Bag

#### BASKETBALL

Basketball, at the top of the list of our intercollegiate sports, has earned this year a similar rating in intramural sports. With a total of twenty-five men participating each Monday evening, four teams were formed; two teams of dormitory men, a Zeeland team, and a town team.

Shouts of "Jump ball," "Take it in, Joe," and "Foul" greeted everyone who ventured into the gym after 3:00 during the basketball season. Although it was a regular gym period for some, it was also the practice period for the reserve basketball squad. It competed alternately with the Pure Oil and 7-Up teams in preliminary contests.

The second team was constantly changing its personnel as more veterans returned to the campus, but Coach Jack Schouten's policy was to give each player a chance to develop under actual playing conditions, and building a winning ball club was not the objective. Who knows, when the whistle sounds for the tip-off next year, the reserves may have changed their uniforms for those of the varsity.

## Hope Men Fight It Out In Intramural Sports

Toward the latter part of the season a veteran's team was organized which remained undefeated the remainder of for season.

#### SOFTBALL

Springtime is synonomous with the baseball season in the world of sports. From start to finish the teams made "every play count," for competi-

Better Luck Next Time

With the male population of Hope College returning to normal, the regular spring sports could be resumed according to schedule.

#### BASEBALL

Competition in America's number one sport, baseball, was resumed with a fourteen-game schedule. After a lapse of two years it required a lot of work to build up a team which showed such ability and speed as Jack Schouten's varsity displayed this season.

#### FOOTBALL

The sight of long spiral passes and the sound of pigskin against shoe leather was evidence enough of the return of football to the campus. Spring practice revealed some excellent possibilities for next year's squad as the varsity aspirants were put through their paces by Coach Al Vandenbush.

#### TRACK

The track squad met rugged competition in

tion was keen this year (thanks to Uncle Sam's returning our men).

Intramural sports have been under the very able management of Jim Muddle who tells us that this year is only a preview of what is to come. With the new interest and enthusiasm for sports brought in by the returning veterans, a more extensive program is being planned for the future. A special veterans program is part of the projected plans for the coming year.

# Spring Sports... Athletes Come Out in the Open

several dual meets, a tri-meet, and the M.I.A.A. and state collegiate meets which were on the schedule this pring. Constant practice to increase endurance was the daily rule for Coach Vandenbush's hard-working team.

#### TRACK TEAM

W. Boerman, G. Bruggers, A. De Voogd, R. Kempets, V. Kraai, R. Koop, W. Milewski, J. Pontier, J. Stegeman.

#### TENNIS and GOLF

The tennis courts and golf links claimed many enthusiasts this spring when the weather permitted. Under the watchful eyes of tennis coach Milton Hinga and golf coach Albert Timmer, stiff workouts and daily practices were scheduled either on the courts, in the gym, or at the golf course.

#### TENNIS TEAM

E. Barendse, R. Holleman, J. Ligtvoet, D. Scholten, J. Tirrell, R. Van Dis.

#### WOMEN'S ATHLETIC ASSOCIATION

Under the capable leadership of Libby Romaine, president, W.A.A. continued its policy of sponsoring various sports with a board member in charge of each. Its duties increased greatly as the enrollment reached an all-time high. An important addition to the sport schedule was the M.I.A.A. girls'

## The Women Battle on Their Own

play day at Adrian College. Eleven Hope girls attended the all-day meet, where a variety of sports succeeded in keeping them occupied. A word of praise and commendation is due to the faculty members, Mr. Jack Schouten, Miss Elizabeth Lichty, and Miss Metta Ross, for their guidance and support of the women's athletic program.

#### VOLLEYBALL

The battles raged hot and heavy in Carnegie Gymnasium on Tuesday evenings from 8:00-10:00 as Hope co-eds combined their athletic abilities to compete in the weekly autumn volleyball contests. Frequent trips to the balcony to retrieve the misguided ball were interspersed with shouts of "Play the net," "spike it," and "help it over." Cooperation and team play gradually developed, but the team captained by Tonsi Kloosterman beat the rest to the draw as they came out on top with a total of four wins and no setbacks. Congrats, team three; and to the others, better luck next year!

#### **BOWLING**

"Down on alley ten!" is not a phrase picked up on the street, but it was often heard at Lievense's

Send 'Er Rollin'

Jump Ball

alleys on Friday afternoons as "les femmes" of Hope College made their weekly migration to get in a good hour of bowling. As usual the price was partially paid by the W.A.A., which was the sponsor. Beginning and experienced keglers all started with equal scores (0-0), but a few strikes and spares more or less made a lot of difference in the final outcome. Doubtful? Just glance at the score sheets, and see for yourself sometime.

#### BASKETBALL

Hope's female population continued to exhibit their prowess during the winter season, but this

time on the basketball court. When the whistle blew for the opening game, interest was at fever pitch. By the time the schedule was completed, the competition surpassed all expectations as two rival teams battled for top honors. The culmination of the year's activities was the "All-Star" game, which found the best of each team pitted against each other in a knock-down, drag-out contest. Despite floor burns, scratches, or blisters, there will still be many on hand for the opening game of the 1946-47 season.

#### **TENNIS**

The tennis courts were one of the most popular spots on the campus this spring, as would-be netters filled in every spare minute with a few games or sets of their favorite sport. The sound of ball and racket meeting squarely was welcome to the ears of struggling enthusiasts. Blistering forehand drives and powerful serves were gradually mastered,

Pinx Is All Set For Action

Service With a Smile

but not without the timely advice of Mr. L. F. Williams, a Holland "pro," and "Jack." No wonder that all were eager to play, whether it was in the misty spring mornings . . . during the hot, sunny afternoons . . . or in the dusky quiet of the evenings.

#### **SWIMMING**

Dives, splashes, and waterfights remind us of the excursions made by many coeds to the Grand Rapids Y.W. swimming pool. Varying degrees of perfection (or should

we say attainment) were witnessed as each one attempted to better a former dive, perfect the Australian crawl, or execute a "deadman's float." The evenings were climaxed by the usual stopover at Adriense in Grandville for refreshments before returning to routine dorm life.

#### BASEBALL

"Ste-e-e-rike three!, you're out," echoed across the baseball diamond many times this spring as keen, enthusiastic ball players competed in America's number one sport, baseball. Lack of hitting power, pitching ability,

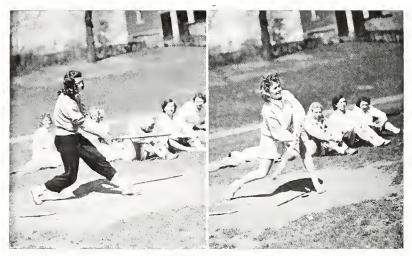

and throwing accuracy were easily covered up by the vim, vigor, and vitality displayed by Hope's athletic coeds. Aided by "Jack's" tips on the fine points of the game and goaded on to better performance by laughs from the Zwemer Hall "spectators," the girls really learned to handle hot grounders and sizzling line drives with the non-chalance of a big leaguer (if you happened to drop in on one of their better games, that is!)

#### RIDING

"Horseback riding" conjured up some very vivid, if not painful, recollections of attempts at the lost art. Nevertheless, many coeds were able to stick it out, despite a few reports of riders not sticking on.

Bound For the Kentucky Derby!

Big League Stuff!

Dot Is Really On the Ball

#### **GYM**

Class, attention! Right, dress! Ready, front! It may be only a girls' gym class, but if you have overheard any girls complaining of sore muscles and aching backs, a stiff exercise routine may be the reason. Besides this "daily dozen," hotly contested games, followed by rough and tumble matches according to anything but orthodox rules, required the utmost energy of all.

Bet She Eats Wheaties

#### ADRIAN PLAY DAY

Adrian College was host to M.I.A.A. collegiate women in March as the annual Play Day activities were resumed. With basketball, deck tennis, volleyball, and ping-pong, athletic competition reached fever pitch for the eager participants.

### W. A. L.

Women's Activities League, the organization of all girls on Hope's campus, is responsible for many of our social activities. After starting the year with the annual Orientation Tea and All-College Beach Party, it helped to sponsor the novel event of its calendar — a formal student-faculty Christmas party — at which jolly St. Nick held all attention until Mr. McLean's turkey a la king, homemade rolls, cranberry tarts, and hot chocolate stole the show.

February ushered in our All-Girls' Party with the frosh and sophs escorting the upper-classmen, house-mothers, and faculty women to Carnegie Gym for an evening of female fun. In March thoughts turned to European relief, as a Penny Carnival was staged as part of a campaign to help a Reformed college in devastated Hungary.

Then came spring, a fashion show, May Day, the High School Girls' Tea, and Illumination Night; and so another year passed quickly and successfully for W.A.L.

Betty De Vries and Betty Van Lente Jebyered telegrams at the W. A. L. Penny Carnival held April 20, 1945.

Wild(2) animals were part of the Carnival attractions.

Many students hurled sponges at a "Hitler" head on a 'Pluto" body. Carnival profits went to the Red Cross.

Van Lente finished the relay for the winning sophs, May Day, 1945.

## Keep College Calendar Filled

Missing from picture: J. Stegman, P. Stegenga, P. Fried, G. Levey, E. Rothi.

### STUDENT COUNCIL

Sponsoring friendly rivalry between classes, keeping the frosh in their place, and providing opportunities for the enlightenment of the students on matters of common interest are a few of the jobs well done by Student Council,

A picnic with lush barbecue sandwiches and sweet corn, the mixer at which the frosh received suitable identification tokens (the badge of green), and the pep rally and pull of Homecoming added to the color of college life in the fall. The traditional Nykerk Cup Contest, at which the frosh were chastised for disobedience, was another project.

A delightful Christmas party given in connection with other campus organizations, a forum about democracy in which six men spoke as representatives of occupational groups, Dutch Treat Week with a mixer after the Calvin game and Glory Day following, a drive for the Red Cross netting \$69.79, the library opened in the evening—these too were accomplished by Student Council.

When new members of the Queen's court had taken their places near the throne, the new queen was crowned.

Visser was a champ freshman high jumper, but the sophs took the May Day track meet. Through the colorful honor guards, members of Alcor, senior girls' honor sorority, escorted

pledges to the May Queen for tapping by the Alcor president.

### **CAMPUS ROYALTY**

ELFANOR MULDER ELAINE BIEFEVELD BETTY DE VRIES QUEEN ELIZABETH ANNE ROMAINE ELSIE PARSONS ELAINE PRINS

Court member Marjorte Gysbers could not pose for the above picture because of illness which kept her out of school for several months.

Court members clapped and smiled approval as lovely Queen Elizabeth Anne began her reign over campus activities for the school year 1945-1946.

Under an arched trellis of flowers, the queen and her subjects entered Carnegie gym for a gay ban-

quet which completed May Day activities for 1945. A number of campus groups cooperated with W.A.L. to make May Day something to remember with pleasure.

Illumination Night, a W. A. L. reception, followed the Glee Club Commencement concert.

W. A. L. began this year's functions with an Orientation Tea.

Corn-on-the-cob kept picnickers busy at beach party sponsored by W. A. L.-Student Council.

Four junior girls donned fireman hats and slickers for a Student Council Mixer.

A sophomore quartet dressed like black boys, sang, joked in good ole darkie style.

Freshmen received their green and spent several weeks making obeisance to upperclassmen.

Court beauties decorated the senior's Homecoming float.

Decked in their greens, freshmen marched in the Home-coming Parade, pulling their "forty-niner" covered wagon.

Sophomores gave servicemen classmates a prominent and comfortable place aboard a "Back Home for Keeps" float.

To the tune of the cheers or groans of the watching crowd, upperclassmen found themselves pulled through muddy Black River by victorious frosh in the pull held after the parade. A banquet climaxed October 26 and 27 Homecoming activities.

Freed from initiation regulations, freshmen

burned their green in a huge bonfire after their Nykerk Cup victory, November 19.

Naughty freshmen played tiddly-winks for their fellow students, made speeches, and paid other penalties.

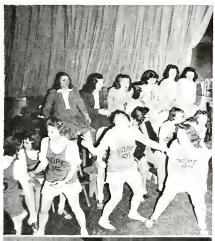

Mr. Alfred Rypstra, Rev. Bastian Kruithof, Mr. Thomas Parker, President Irwin Lubbers, Mr. Cornelius Vander Meulen, and Colonel Henry Geerds were the members of the Student Council forum "Is Democracy Workable Today," held January 14, 1946.

Frosh and soph girls escorted upperclass girls and faculty women to the W. A. L. girl-date party. Girls dressed up as monkeys, mountaineers, and what have you!

Hope girls staged a mock basketball game for the Student Council Dutch Treat Week Mixer. Dutch Treat Week also featured a roller-skating party at the Virginia Park rink.

A Carnival March 30 raised money for W. A. L.'s Hungarian relief project. Carnival booths attracted students and veteran alumni.

Turkey Carvers . . . Dormites and guests make away with Thanksgiving dinner . . . Buzzer Buzzers . . . Zwemer Hall had a new phone booth . . . and a new underground dining hall . . . Van Vleckites like to eat (Don't we all?)

## Dormitory Life Has Many Angles

We'll make model housewives someday . . . More K.P. . . . A man may work from sun to sun, but a woman's work . . .

Be sure you make those hospital corners, Warren . . . Dreaming of a white Christmas . . . The Army has nothing over Hope . . . The housemothers rule the life of the coed: Dean E. Lichty, Mrs. G. Bolten, Miss A. Nowlen, Mrs. D. Steininger, Mrs. N. Aldrich, Mrs. B. Kronemeyer . . . Before lunch on a Thursday
